OUR MISSION

New Hope Housing's core purpose is to create life-stabilizing affordable apartment homes with a sense of dignity for adults who live singly on low incomes. We are committed to the development and operation of single room occupancy (SRO) efficiency apartments with enhanced access to supportive services. New Hope Housing, Inc. is a 501(c)(3) non-profit organization.

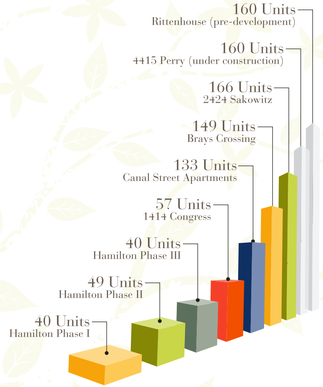
Thank you 4 giving new hope

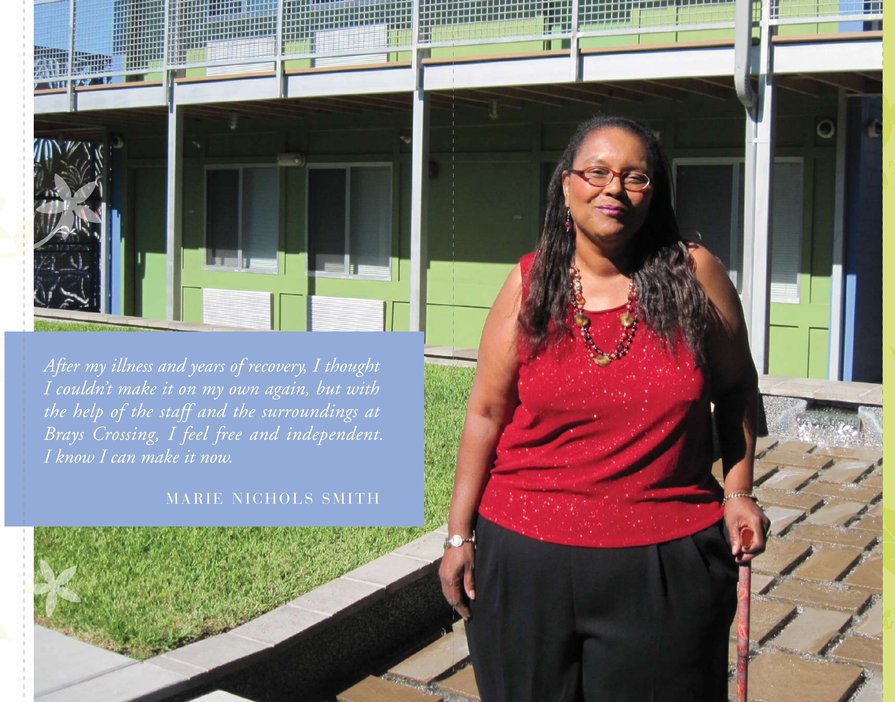
Zero debt allows New Hope to price apartments at below market rate including free utilities.

Funding from 1994 to April 30, 2011



New Hope Properties

New Hope currently owns and manages 634 single room occupancy (SRO) units at five housing properties. New Hope was incorporated in 1993.



After my illness and years of recovery, I thought I couldn't make it on my own again, but with the help of the staff and the surroundings at Brays Crossing, I feel free and independent. I know I can make it now.
