BRAYS CROSSING

"Since I was 5 years old, I've wanted to die. I had a lot of self-hatred. I was told no one wants me. By moving into Brays Crossing and going to meetings and church, I've come a long way from the negative life. I've learned that God made me and He wants me. In my abuse, I looked up to Heaven and told God I needed to borrow one of his houses on earth and a way to pay for it. Through my heartache and tears, He brought me here. I love my place; it's my mansion."

{ Resident Services }

New Hope's on-site Resident Services Program follows a three-pronged initiative that includes:

- Assistance from the on-site case managers and information and referral specialists, who coordinate the supportive services
- Direct assistance with basic necessities and emergency financial aid
- Life skills and other educational opportunities for social and spiritual well being

On-site support services provided through New Hope's Resident Services Program include the following:

- Financial literacy
- GED assistance
- Sobriety meetings
- Health and nutritional courses
- Housekeeping
- Bible studies
- Poetry readings

CANAL STREET

"Incomplete. That was the name of the cork that floated my bait in that watery sea called life…..

My long acquaintance with God and my faith in Him turned me around. With that came a new way of looking at life and a new hope…

If there is a willingness and a desire to improve your way of life, New Hope Housing is a new beginning."
